WRINKLES & VISUAL APPEARANCE

Due to a combination of the elasticity of the covering, the nature of the interior construction and the design for comfortability of the product, the model may exhibit differing levels of wrinkles.

The models need to be dressed on a regular basis to maintain their appearance and the wrinkles should not be considered as a manufacturing defect, but a natural characteristic of the product.

NOTES

- Meeting is the leitmotif of the sofa Leuca. Headboard and seat are skillfully and originally intersected, supported by conical brushed metal feet. Plays of harmonic geometries and alternating shapes characterise this compact and gritty furnishing piece without compromising on comfort, guaranteed by large cushions on the back. Leuca is available both in leather and fabric.
- Feet height 18,0 cm
